# *How the Index Is Arranged*

This Index is arranged alphabetically with names of authors, titles, and subjects in one list.

The following subjects are used; (names of hospitals, commissions, conferences, government departments, names of societies and organization, etc. are not included here):

Accounting
Administration. *See* Organization and administration.
Administrators
Annual reports
Architects
Blood and plasma banks
Blue Cross
Boards. *See* Governing boards
Book reviews
Business and finance. *See also* Accounting; Costs; Endowments and investments; Fees and charges; Gifts and contributions; Government purchase of hospital care; Revenue sources
Cadet nurses. *See* U. S. Cadet nurse corps
Chest surveys
Children's hospitals and departments
Chronic disease hospitals
Communicable disease hospitals
Compulsory health insurance
Conservation and economies
Construction
Convalescent hospitals
Costs
Councils
Deaths
Dietary department
Disinfection and vermin control
Endowments and investments
European hospitals
Fees and charges
Fires and fire prevention
Fuel
Fund raising
Gifts and contributions
Governing boards
Government hospitals
Government purchase of hospital care
Group practice
Health centers
Health programs
Hill-Burton Bill. *See* Hospital survey and construction bill.
Hospital and medical economics
Hospital facilities
Hospital survey and construction bill
Housekeeping department
Identification systems
Indigent sick
Industrial health service
Infection in hospitals
Interns and residents
Interns and residents, Ex-service
Laboratories
Lanham act
Laws and legislation
Legal decisions
Liability of hospitals
Libraries, Patients
Licensing of hospitals
Maintenance
Maternal and child health
Medical education
Medical records
Medical service plans
Medical staff
Military hospitals
Movies
Municipal hospitals
National hospital day
National Labor Relations Act
Nervous and mental disease hospitals
Noise prevention and control
Nurseries
Nurses and nursing service
Nursing homes
Occupational therapy department
Office management and procedures
Organization and administration
Outpatient department
Penicillin
Pensions
Personnel
Pharmacy department
Physical therapy department
Planning
Public health
Public health, Australia; Sweden
Public health service and the hospital
Public relations
Purchasing. *See also* McGill summaries; Surplus property
Radiology department
Red Cross
Religion in the hospital
Revenue sources, Taxation
Rural health programs
Rural hospitals
Salaries, etc.
Social security
State hospital associations. *See* under name of state
Statistics
Sterilization
Storerooms
Subsidiary workers
Surgery department
Surplus property
Surveys
Taxation of hospitals
Teaching function of hospitals
Trustees. *See* Governing boards
Tuberculosis
Unions and collective bargaining
U. S. Cadet nurse corps
Utility rooms
Veterans
Volunteer workers
Wagner-Murray-Dingell Bill
Workmen's compensation
X-rays
